### Meals on Wheels Association of America's Car Donation Program

**The East Longmeadow Council on Aging** announces the receipt of their first check of \$1,521.00 from the **Meals on Wheels Association of America's Car Donation Program**. As a member of MOWAA, the Council on Aging is registered to participate in the car donation program.

"The process is actually very easy to donate your car" explained Carolyn Brennan, director of the Council on Aging. "You can call 1-888-669-5271 directly or visit MOWAA website at [www.mowaa.org/donatemycar](http://www.mowaa.org/donatemycar). The program accepts ALL cars, trucks, motor cycles, RV's, regardless of the condition of the vehicles. Towing is free to the donor. All vehicles that are donated must have a clean title."

The East Longmeadow Council on Aging delivers over 70 meals daily to frail elders by volunteers. The program is totally self-funded through donations, grants and participants' voluntary contributions.

If you would like more information about donating a car to the East Longmeadow Council on Aging's Meals on Wheels program, you can reach Carolyn Brennan at 525-5436 xt 1401.
